Memorial Scholarship For Sea Scouts

BACKGROUND: William M. Minto, a lifelong member and leader of Boy Scouts and Sea Scouts, dedicated his time and resources to the development of youth. During his life, he helped thousands of boys and girls to develop into young adult leaders. It is for this reason that Texas A&M University at Galveston and Sea Scouting enthusiasts have established a memorial scholarship in his name for a Sea Scout to attend the Summer School at Sea Program, Texas A&M University at Galveston.

THE SCHOLARSHIP: This scholarship provides the opportunity for an outstanding Sea Scout, who is a recent high school graduate that has attained the Sea Scout rank of Able or Quartermaster, to attend the Summer School at Sea Program, Texas A&M University at Galveston. The approximate value of this scholarship is \$2,619.09 for Texas resident and \$3,897.09 for out-of-state resident which includes room and board, tuition, and required fees. Required uniforms, optional tours, and spending money is not covered by the scholarship. Cost estimates for these expenses:

Required Uniforms	\$250
Optional Tours	\$150
Personal Spending Money	\$300

SUMMER SCHOOL AT SEA: Texas A&M University at Galveston offers a unique summer school at sea program for recent high school graduates. While sailing on the Training Ship *Texas Clipper*, new freshman students complete two college courses for hours of credit. Typical courses available are English, American History, Math, Marine Sciences, and Engineering Orientation. In addition to attending class, students are responsible for assisting the ship's crew in standing deck watch, engine watch, galley duty, and general maintenance of the ship. Past ports of call have taken the ship to Europe, South America, through the Panama Canal, and the Eastern Seaboard of the United States. These credit hours earned are transferable to other

colleges and universities that accept Texas A&M credit.
